

THE SALTS HEALTHCARE GREEN PROMISE

ENVIRONMENTAL POLICY

Salts Healthcare Ltd recognise that their activities can impact upon the Environment. This policy and associated environmental system provides the framework for the setting and achievement of our environmental objectives.

- We **PROMISE** to continually improve our environmental performance and the environmental management system.
- We **PROMISE** to be committed to the prevention of pollution.
- We **PROMISE** to comply with relevant environmental legislation and other requirements relating to its environmental aspects.
- We **PROMISE** to communicate our policy to all persons working for or on behalf of our organisation and it is made available to the public via the company's website.

Philip Salt
Chief Executive
